Goodbye to those who have to leave

19:00 Session(s) for those who stay

We thought to put together a few bits of info for you:

## 1. Sessions:

Again this year we are planning to have **simultaneous, smaller sessions**. There will be 2 (maybe 3 sessions) with a limited number of musicians and 2 or 3 “session leaders” (for the beginning of each session). We believe this allows more participation, more musical interaction and more “listening to each other” – and at the same time places do not get too crowded. One session will start as a “slow session” for approximately the first hour.

## 2. Meals

- Friday: “**socialising gulyas event**” (the tavern will cook a delicious gulyas and a vegan stew which we will serve by the fireplace)
- Saturday: there is a **festival buffet provided by the “Weiberwirtschaft” crew** before the concert for those who signed up for it in time (Tuesday, 23 August) – you get a voucher for that meal from the organisers
- Sunday: **music brunch** (there will be vegetarian and non-vegetarian options).

## 3. Money:

Payments (mainly for meals) will be possible at the main session place on Friday: 15:00 - 15:30 and 18:30 - 19:00

Saturday: 15:00 - 15:30

Sunday: 14:00-15:00

## 4. Feedback

Our whole team really tries to make this weekend as enjoyable, encouraging and fruitful as possible so we can all draw from the energy over the months to come – however, we are only human and make mistakes - if you want to give us feedback, have suggestions and ideas for improvement, feel free to do so by e-mail to [tradmusicworkshop@gmail.com](mailto:tradmusicworkshop@gmail.com) or leave a note (anonymous if you

prefer) in the envelope on the notice board!

## 5. Photo and video material

We are taking photos/videos during the course weekend for use on the website and in social media (FB). If you do not agree with the use of your photo/video, please contact the organiser at [tradmusicworkshop@gmail.com](mailto:tradmusicworkshop@gmail.com).

And as this year is still mildly affected by covid:

### **Safety and hygiene measures to keep us all healthy:**

- please **wash your hands** frequently
- **disinfectant** for hands is provided in all class rooms and common rooms.
- in classrooms and sessions keep the **distance** between seats
- **keep the rooms well-aired**, open windows whenever possible
- if the weather allows, we will try to have as many **activities outdoors** as possible

Thank you for your consideration!
